Subject: RD fresh

Dear Deck,

I just wanted to write to you, and let you know it has been a pleasure working with you and RD Fresh this past school year. I hope you and your family have a wonderful summer. I hope to see you in August.

I know you know how good your product is. But I would like to tell you about how RD Fresh has made a big difference in my life this year at Menchville High School. My walk in smells so much better, it feels much colder, and my produce lasts so much longer than ever before. I am able to order my produce in bulk, and cut down on the cost. I have been able to order fifty pound cases of green peppers, and cucumber at the beginning of the month. They last until they are gone, sometimes as long as three to four weeks. No more spoiled vegetables in my walk in. I also have been able to order my produce to last for eight days. Sometimes the produce truck doesn't come until late on a Monday. So I need what comes in on Monday afternoon, to last until the next Monday, and it does. Even the strawberries and grapes are fine to use. Yes I love RD Fresh.

The small pack you gave me for my house works just as well as the ones at the school. I have produce last week's longer. Thanks again.
